

Citation CJ1

This outstanding Citation CJ1 is available for charter at SkySouth Aviation. Tamarack winglets with dynamic ride control smooth the ride. This quiet cost-effective private jet can fly up to 1,400 miles nonstop. Enjoy comfortable reclining leather seats, laptop charging outlets, complimentary snacks and drinks, and the friendly and professional service SkySouth has been providing since 2003.

The CJ1 can seat up to five passengers with two pilots. Upgraded full-color touchscreen navigators display datalink weather, traffic, and terrain. There is a lavatory in the rear with a privacy curtain. Book your next flight on the amazing SkySouth CJ1 to see for yourself why so many enjoy the comfort and speed only a private jet provides.
