

Beech Baron 58

The ever-popular Baron 58 is available for charter at SkySouth Aviation. This cost-effective executive twin can fly 1,000 miles nonstop. Enjoy comfortable leather seats, factory air conditioning, Bluetooth Bose headsets, complimentary snacks and drinks, and the friendly and professional service SkySouth has been providing since 2003.

The SkySouth Baron can seat up to five passengers with one pilot. Upgraded full-color touchscreen navigators display datalink weather, traffic, and terrain. The nose baggage area carries four sets of golf bags. Book your next flight on the incredible SkySouth Baron to see for yourself why so many enjoy the comfort and speed only a private plane provides.
